Dear Members, Friends, & Supporters

Since 1978, the Rhode Island Motorcycle Association, in conjunction with the United States Marine Corps., has conducted a benefit motorcycle ride for the Toys for Tot's program. This year's 2011 annual ride will take place on October 16, 2011. The purpose of the ride is to collect toys to be distributed at Christmas for needy children, throughout Rhode Island. The ride is the largest single day event to benefit this worthy cause, with approximately 2000-3000 riders and passengers taking part. Each one will bring a new toy to donate to the U.S. Marine Corps. "Toys for Tot's" program. The ride begins at C.C.R.I. in Lincoln, Rhode Island, departing at exactly 12:00 pm. and ends at Russo's Trucking in Providence, Rhode Island. Once in Providence, the United States Marine Corps. Reserve will collect, transport, sort, and deliver all toys collected during the event.

Over the years this ride has collected tens of thousands of toys that have brightened the holiday season for these kids. With the economy still in recession and such high unemployment in Rhode Island, this year is again expected to be more difficult than ever for many families that may have to choose between heat, electricity, food, or Christmas gifts.

The expenses associated with this event continue to increase and thus a need for sponsors. RIMA seeks both corporate and individual sponsors for the 2011 Toy Run. If you would like to be a part of this truly wonderful event, and help the Marines in their effort to make Christmas possible for so many needy kids, then please consider sponsoring R.I.M.A. and our "2011 Annual Toys for Tot's Ride." Individual and company donations are gratefully accepted. Please see below for sponsorship opportunities, mail the sponsor form, and your check or money order to: R.I.M.A. P.O. Box 726, Pawtucket, RI 02862

Sincerely,

*Buddy Cardoso*
